

40 Days for Life Code of Conduct / Instructions
331 Salem Place, Fairview Heights, IL

The 40 Days for Life team would like to remind everyone that this is meant to be a peaceful, prayerful witness united in Christian love. With this in mind, please observe the following Code of Conduct:

Safety First - you may walk in all grassy areas on the OUTSIDE of the planned Parenthood fence. Do not stand in or block the driveway at the gate. We also ask you not to stroll alongside the mosaic Pregnancy Help Center Mobile Unit in order to provide privacy for clients within.

Respect the Law - 40 Days for Life is designed to work within the law; it is not the place for civil disobedience or violence. Any misconduct from passersby should be met with silence. Please show love and compassion toward abortion facility families, workers and volunteers.

Sign Usage - When you arrive, please stop by the FVH Coalition for Life STL Community Center located on the first floor, Suite #170, of 331 Salem Place. Sign in and pick up signs. Please use only the signs provided for you by the 40 Days for Life team. Currently, no signs are allowed to be placed in the ground according to the FVH Sign Ordinance. *Please never leave signs unattended.*

Sidewalk Counselors - Only trained Coalition for Life STL counselors should be counseling clients at the gate or fence to avoid confusing abortion-minded women. We are always in need of trained counselors. For training, contact Coalition for Life STL at (314) 827-4039.

No Political Activity - Please no political activity of any kind.

Children are Welcome - Keep children close and encourage them to pray or play quietly and safely.

Food - Please refrain from eating during your shift unless medically necessary.

Prayerful Witness - Pray however you like, all we ask is that you REMAIN IN PRAYER for the entirety of your shift.

Parking - Pro-life parking spots are reserved at the fence, right side of lot, between orange cones and cinder block trash receptacle. If spots are full, park on the west side of Executive drive facing South. Yellow lines on the Site Map show where to park.
